## In-Person Member Recruitment Script

### Hey! Have you heard of Wan Fambul?

#### IF THE ANSWER IS "NO"

We are students advocating for the positive changes we want to see in our school. Our Wan Fambul branch helps us get involved, express ourselves honestly, and make a real difference. We're inspired by Fambul Tok, a grassroots peacebuilding movement in Sierra Leone, where communities are coming together after the war to tell the truth about what happened, apologize and forgive each other. We're learning how cultures all over the world build strong communities, and we're learning how to be strong leaders.

#### IF THE ANSWER IS "YES"
